Safety and Insurance Association

## Compensation Mutual Aid System for Accidents at School

### School Safety Mutual Aid System

A system providing suitable compensation for accidents at school occurring 'during educational activities' leading to loss of life or bodily harm of students, faculty members and other educational activity participants, and for 'illness' contracted under management and supervision of the principal

#### Educational activities

- ① Activities in and outside school premises carried out **under management and supervision by the principal**
- ② **Events** (competitions) acknowledged by the principal
- ③ **School commutes**, field experiences, vocational experiences, **workplace visits and training**, dormitory life, etc.

+

#### Illnesses contracted under management and supervision of the principal

- ① **Food poisoning from school meals**, gas poisoning, etc.
- ② **Heat stroke**
- ③ Illness contracted **due to ingestion of foreign material**
- ④ Dermatitis due to **contact with foreign material**
- ⑤ **Illness directly caused** by injury or external impact

### Type of compensation and support offered

	Item	Description
Mutual aid benefits	Medical care benefits	Payout of <b>treatment costs</b> for accident at school (including nursing fees and incidental expenses)
	Disability benefits	Payable if <b>disability</b> persists after treatment (care)
	Care benefits	Payable if constant or regular <b>medical care</b> is required after treatment (care)
	Survivor's benefits	Payable in case of <b>death</b> of an Association Member due to an accident at school
Funeral costs		
	Consolation money	Cases wherein an Association Member student has <b>died during educational activity due to unknown causes</b>
	Cost compensation	Cases wherein a faculty member or person assisting faculty affairs has incurred expenses relating to an accident at school
	Psychiatric counseling support	Cases wherein an Association Member or family member requires <b>counseling and psychiatric treatment</b> due to an accident at school

# Gyeonggi-do School Safety and Insurance Association FAQ (Q/A)

- Q1 Is the full amount of treatment costs paid out when a medical care costs claim is filed?**
- A1** No. The patient's burden of co-payments under the National Health Insurance Act is paid out. For **non-insured items**, a **detailed statement of medical expenses** must be attached for **review and payout of eligible items only**
- Q2 Can claims redundant with private (fee-for service) health insurance be filed?**
- A2** Yes, redundant claims are accepted.
- Q3 In the case of broken glasses, is compensation offered to cover costs of purchasing new glasses?**
- A3** Costs for purchase or replacement of glasses are not covered. Provided, that repair costs may be covered.
- Q4 Must documentation for school violence treatment costs claims be submitted by mail only?**
- A4** Yes. The **original documents must be submitted by mail**, as they are necessary for **exercise of right to indemnity**, etc.
- Q5 Will costs of psychiatric counseling for a school violence incident be covered even if counseling is received at a nearby psychiatric counseling center?**
- A5** No. **Only counseling costs incurred at a psychiatric counseling and advice institution designated by the Gyeonggi-do superintendent of education** are covered.
- Q6 Are all field experiences covered by the Traveler's Safety Mutual Aid Program?**
- A6** No. Even with approval from the principal, **general school activities** (fieldwork, family experiential learning activities, faculty training and lectures, etc.), **sports club training activities, participation in competitions, and overseas travel** are not covered.
